

Tobacco use is the leading preventable cause of death in Georgia. Each year, 1,500 adult **nonsmoking** Georgians die from secondhand smoke.

Ensuring everyone in Marietta is protected from the dangers of exposure to secondhand smoke is an effective strategy to fight tobacco use and it is gaining momentum nationwide. New Orleans, Fort Worth, Savannah, and Augusta has passed ordinances to become a 100% smoke free city. Now there's an effort underway to do the same in Marietta. Let's get it done and **join the Movement!**
